Local Government Heritage Consultancy Grant Program	Department of Planning, Lands and Heritage	\$4,630.25	\$4,630.25 Plus, In-Kind Project Management	<p>APPROVED & IN PROGRESS</p> <p>The Shire’s existing Municipal Heritage Inventory (MHI) has not been reviewed since it was first prepared and adopted in 1998. Under the new Heritage Act 2018, all Shires require a Local Heritage Survey (previously known as MHI’s). The Shire of Kondinin also does not have any places listed on a Heritage List pursuant to the Local Planning Scheme No.1 which offers protection to heritage places under the Planning Act 2005. The Shire also does not have any Local Planning Policies relating to Heritage Management. The grant funding presented a good opportunity to undertake this long-overdue review. Three quotations were obtained, and the preferred consultant was one that provided the best value for money and has undertaken similar projects across Wheatbelt. An Agenda Report on this matter was presented to the February 2022 Ordinary Meeting of Council endorsing the project.</p>

				<p>Grant Agreement has been received and the consultant has been engaged. The consultant presented at the 20th July 2022 Council meeting and facilitated community workshops for three town sites during the visit. Draft Working Survey was tabled at the November 2022 Ordinary Meeting of Council and a draft document has now been submitted to the Administration. The Administration are going through the documentation and aim to present to an Ordinary Meeting of Council to advertise the draft document shortly.</p> <p><i>Officers submitted draft document to consultant and still awaiting feedback so as to present to Council for advertising.</i></p>
Remote Roads Upgrade Pilot Program	Department of Infrastructure, Transport, Regional Development and Communications	\$4,000,000	\$1,000,000	<p>APPROVED & IN PROGRESS</p> <p>An application was submitted for the sealing of 20km of the Hyden-Norseman Road extending east from the edge of the bitumen as endorsed by the Council at its Ordinary Meeting on the 16th of February 2022. Email received 27/4/2022 to confirm funding successfully. Works associated with the grant are to be undertaken in the 2023/2024 and 2024/2025 financial years.</p> <p>Final approval and tender exemption approval received.</p>

				<p>Project is progressing well with approximately 75 per cent of the project completed, with 15km of the 20km road completed and remaining 5km to be completed in 2024.</p> <p>Shire have submitted Reports and received funding for Milestone 1 (Design - \$800,000) and Milestone 2 (Construction Commenced - \$1,200,000) and new split Milestone 3 (Construction of 75 % of works completed - \$1,000,000).</p> <p>Spilt Milestone 3 - \$200,000 to be claimed in December 2024 on completion of works and remaining \$800,000 for final milestone payment scheduled to be received in January 2025 when final acquittal report submitted.</p> <p><i>Remaining works commenced May 2024 to be completed within prescribed timeframe.</i></p>
Community Sports & Recreation Facilities Fund	Department of Local Government, Sport and Cultural Industries	\$384,860	\$45,022 (\$534,234 LRCI)	<p>APPROVED</p> <p>Concept plans and costs prepared and endorsed by Council at its Ordinary Meeting on the 21st June 2023. Total cost of project has been estimated at \$1,264,116. Council supported the allocation of the Phase 4 Local Roads and Community Infrastructure (LRCI) towards the upgrades to the Kondinin Pavilion, which has been endorsed by the Federal Government. Kondinin Community Recreation Council have supported \$300,000 towards the project. A CSRFF Forward Grant submitted to the Department of Local Government, Sport and</p>

				<p>Cultural Industries seeking consideration of funding to be supplemented with contribution from the Shire of Kondinin (including the LRCI allocation) and the Kondinin Community Recreation Council. Outcome of grant anticipated by January 2024 with works scheduled to commence by June 2024 and completed by July 2025.</p> <p><i>Full funding requested was approved. Administration now working on detailed drawings and engineering reports for tender package with architects, engineering consultants and Kondinin Community Recreation Council.</i></p>
Memorial Garden Upgrades	Saluting Their Service Grant – Department of Veteran Affairs	\$9000	\$3500	<p>IN PROGRESS</p> <p>This grant funding was received to complete some interpretive signage for the Kondinin Memorial Garden. This signage is to detail Kondinin’s wartime history through the World Wars and include some personal stories of local residents who served during this period. The signage will complement the existing upgrades that have been completed to the garden. A pathway that joins the entrance of Memorial Garden (opposite the RV parking area) to the public toilets is the last stage to be completed in the plans for this area.</p> <p>An extension to the grant timeframe in order to complete the project has been approved by the Department Affairs and the text and graphics has now been finalised to print. Thank you to local community members and past residents of Kondinin with</p>

				connections to World War veterans who have assisted in locating photos and memorabilia to include in the signage.
Southern Wheatbelt Regional Drought Resilience Plan Implementation Grants	Wheatbelt Development Commission	\$60,000	\$In-kind	<p>SUBMITTED</p> <p>Following a stakeholders meeting held on the 21st May 2024, the Wheatbelt Development Commission (WDC) Board have now provided written confirmation that the \$300,000 implementation funds available through the Southern Wheatbelt Regional Drought Resilience Plan Implementation Grants Program will be split evenly between the 5 Local Government Authorities (\$60,000 each) that participated in the South -West Regional Drought Resilience Plan process. The participating Shires include the Shires of Kondinin, Kulin, Lake Grace, Dumbleyung and Wagin.</p> <p><i>WDC will enter into small grants agreements with LGAs to enable distribution of the funds. The Shire Officers have submitted their proposal comprising the purchase and installation of two (2) x 270KL tanks at the Bendering Community Water Supply site and the removal of the old fibro tank (keeping the existing 110KL tank) similar to what was undertaken at Lovering Road Community Water Supply site. This will improve the storage capacity at this site. The cost for the supply and installation of tanks has been estimated at \$58,479 (incl. GST). To cover costs of site works and plumbing the Shire will be required to make a nominal contribution from the Shire's Rural Water Supply 2024/2025 budget allocation.</i></p>

				<i>Waiting on approval from WDC and DPIRD to commence project.</i>

The community members advised that would confirm proposed area of site to be enlarged to which the Shire can then follow up with the Department of Parks and Wildlife, being adjacent to a Class A Reserve. Both Shire and Community Members were to look into options for niche walls for consideration and costings. The Lions Club have also formally written to the Shire’s Chief Executive Officer in which a site visit was arranged and a response letter sent in January 2024. <i>To date no formal feedback on the proposed area to be expanded has been received.</i></p> <p>TOILETS AT BOTH SITES – the Shire’s Administration have sought quotes on this ranging from \$20,000 to \$200,000. Matter to be presented to Council for budget considerations in due course.</p>

Signage, Bollards and Pathway to Hyden Youth Base	Quotes for improved signage, bollards and access to Hyden Youth Base for Toilets and Shower have been obtained and proposed for inclusion in the 2024/2025 budget.
Hyden Hall Ladies Toilets	<p>Plumber attended to site on 6th June 2024 to assess sewer situation. Tree roots found to be penetrating drain between septic tanks and toilets causing blockages. Tree roots were cut back and removed. Plumber used camera to view septic tanks which were not overflowing and appeared to be working fine. Plumber could not get camera into leach drains. To completely assess situation will be a big job to remove pavers to access the tanks and the leach drains. As a way forward, the Shire Administration is investigating options to upgrade ladies toilets and include disability access. Scope and plans to be prepared first. Initial meeting with drafts person has been held on site. Varying opinions from Council and Community Members ranging from upgrades to existing toilets to the construction of a new toilet block linked to the hall. Administration awaiting further direction from Council to pursue this further.</p> <p><i>Matter was presented to Housing and Building Committee Meeting on the 24th July 2024.</i></p>
Stafford Park, Karlgarin	Shire Administration liaising with Karlgarin Progress Association to arrange upgrades to Stafford Park, including a dump site, signage, area for RV parking and a display shed for old farm machinery. Works proposed for consideration in 24/25 budget.
Gym Proposal	<p>Surveys were distributed across the Shire seeking interest in the consideration of a gym/s. <i>Results have been collated indicating overwhelming support from the 124 respondents. Matter was discussed at the Housing and Building Committee Meeting on the 24th July 2024.</i></p>
Kondinin Caravan Park	New signage has been installed with now all bays for powered and non-powered sites numbered. Room Manager Booking System to be amended for all bookings to be made online or through the Shire office. Kondinin Roadhouse and Kondinin Hotel to be removed as places to book for Kondinin Caravan Park and respective business owners will be advised accordingly once new system is established.

WACHS Housing – No. 51 Rankin Street, Kondinin	15-year Rental Agreement with WACHS has been received and approved by signatory parties. WA Treasury Loan has been supported and received. Building contractor has been engaged. Anticipate works to be completed by March 2025. <i>Contract signed and pre-start meeting held on the 8th August 2024. Working through project with the building contractor.</i>

MOW REPORT

Construction

We will be starting wet-mixing on the 24th of September on the Hyden Norseman, it is anticipated this will take approx. 9 days.

This will involve the Stabilizer, 3 x water trucks, 2 graders, 2 vibe rollers, and 2 multi tyred rollers.

Once completed trimming will take place ready for seal on the 14th of October.

We are presently working on Lovering Road where we have installed new drainage, widen shoulders to achieve a pavement width of 10m from its original width of 7.5.

We are presently carting gravel for the overlay and we anticipate this will be completed by the 22nd of September.

Once the Hyden Norseman Road is complete regards wet-mixing we will be doing the same process for Lovering road, with the intention of having it sealed by end of October early November.

Other areas that have been completed or part of are

Installation of Drainage Clayton Street and the installation of Kerbing. The footpath will be installed at a later date to a width of 2m from back of kerb.

Installation of retainer wall around the sculptures as per request.

Installation of drainage at Town hall to elevate water issues, part of the issue here was the pipe running from the town hall was pretty well blocked given that the pipe was reduced from a 300mm to 150mm just before the sump, as well as both pipes being full of leaves over the time.

We took the liberty to rectify this by installing a new liner and have continued the 300mm pipe into the existing sump near the FESA shed.

By doing this we are confident you will not have the issues in this area again, even in substantial rainfall.

Parks and Gardens

We will be undertaking some works on the ovals both in Hyden and Kondinin.

This will involve the spraying of Broad leaf weeds and Black Beetle.

Coring, which will also include the dragging with a drag mat after coring of the Hyden Hockey oval to help eliminate any divots left by the hockey so it will be a smoother surface for croquet.
