About 14 artists plus some partners will be arriving over the weekend of 8th-9th & plan on spending Monday, Tuesday & Wednesday at a few sites around Kondinin. They want to capture what Kondinin & the district is - & would love both input about what places to go & also your company as they work (& you may work too!). (Contact Janet - as above.)

Jo, Tory and Toni recently completed a grant application for the RAC Connected Communities Grant. If you are interested in viewing the application drop into the CRC or look on the Kondinin Kreative Facebook page.

As part of the grant selection process RAC are wanting their members to help decide which community initiatives to support.

Kondinin Kreative would appreciate if any person who has a RAC membership register to vote. Please pass on to any family and friends that are members too.

You need to be pre-registered to be able to vote for your favourite Town Team project which will be launched later this month. Register to make sure your voice counts!

"HOME OF WAVE ROCK"

NEW POSSIBLE SHIRE SLOGAN

"HOME OF WAVE ROCK"

We are looking at the possibility of making "Home of Wave Rock" our new Shire slogan!
The slogan was mentioned in 2020 during the Shire of Kondinin logo rebranding workshops, this process was postponed due to the purposed Shire name change. Shire slogans are not necessary to have with the logo, however should represent our whole Shire.

The goal of the slogan is to encourage the visitors to see our Shire and to represent our sense of community.

"Home of Wave Rock" represents one of WA's major attractions located in our Shire. Having "Home of Wave Rock" as the Shire slogan may assist the marketability of the Shire and can be changed gradually with the new logo.

We encourage public opinion on this decision. Other possible slogan ideas are encourage.
Any comments and/or suggestions please send through to David Burton at ceo@kondinin.wa.gov.au by Friday 9th September 2022.

Below are some other shires examples with and without slogans:

ENTRANCE TO CORONATION PARK

As most are aware, Coronation Park in Hyden is a family-friendly area including BBQ facilities and a playground where travellers and locals can relax and enjoy family times away from the traffic.

Unfortunately, the entrances to Coronation Park are not easily seen from the main road and as such, many tourists do not use these facilities when visiting local businesses.

In order to open the access to Coronation Park and have this area utilised more by visitors to Hyden, the Shire is investigating the possibility of having an entrance between the FESA building and the Hyden Town Hall. This will have the advantage of providing an open access to the parking area of Coronation Park and enable visitors to Hyden the opportunity to use the facilities in an easily accessible way.

**PROPOSED
ACCESS WAY –
NO. 15 LYNCH
STREET, HYDEN**

This new access is only a concept at the moment and the Shire is requesting any feedback, positive and negative before making a final determination.

Please forward your comments to the Chief Executive Officer through email ceo@kondinin.wa.gov.au or regular mail to the Shire of Kondinin, P O Box 7, Kondinin WA6367 before close of business on Monday 12th September 2022.

We thank you for your input into this consideration.

Chief Executive Officer**

BLOCKING OF ACCESS TO RAILWAY LEASE AREA

As part of the Hyden 100 celebrations the Shire and the Hyden Progress Association (HPA) have been looking at ways of improving the area of the Railway Lease in Hyden.

In discussion with the HPA, it was requested that the Shire give consideration to blocking off the two eastern entrances to the Railway Lease area to enable greater control of traffic and the splitting of general vehicles, caravans and also trucks that use the area.

Access to the parking area will be through the main entrance/exit as shown on the diagram.

As we are aware that the blocking of the entrances is likely to cause some concern by members of the public, we are now seeking feedback before a final determination can be made.

PROPOSED ACCESS CLOSURES – MARSHALL STREET, HYDEN

If you have any comments on the proposed blocking of the entrances, please forward your comments to the Chief Executive Officer through email ceo@kondinin.wa.gov.au or regular mail to the Shire of Kondinin, P O Box 7, Kondinin WA6367 before close of business on Monday 12th September 2022.

We thank you for your input into this consideration.

Chicken and leek risotto

Total Time: 50 min Prep: 15min Cook: 35min

Serves: 4

Easy!

Ingredients

- Leeks - 2 whole, thinly sliced
- Paw skinless chicken breast - 500g, fat trimmed, cut into 2cm pieces
- Arborio rice - 1 cup, 200g
- Frozen green peas, 1/2 cup, 60g
- Grated parmesan cheese - 1/2 cup, 40g
- Gralic - 1 clove, thinly sliced
- Dried thyme - 1tsp
- Chicken stock cup - 2 individual, to make 1L of gluten free stock
- Oil spray - 1x3 second sprays

Method

1. Lightly spray a deep, lidded non-stick frying pan with oil and heat over medium-low heat. Cook leeks, covered, for 5 minutes, stirring once, or until softened—you may need to add a splash of water if they start to stick. Add garlic and cook for a further 1 minute.
2. Add chicken and thyme and cook, uncovered, for 5 minutes or until chicken is lightly golden.
3. Stir in rice and cook for 2 minutes. Gradually add stock, a ladleful at a time, stirring until it has been absorbed. Continue cooking until rice is tender but still retains a little bite and has a glossy sauce surrounding it—this should take about 20 minutes. Add peas the for last 2 minutes of cooking time.
4. Remove from heat. Stir through half the parmesan. Sprinkle with remaining parmesan to serve.

TIP: Risotto needs to be stirred constantly during cooking to stop it from sticking to the pan. It also helps release the starch, which gives risotto its creamy texture.

CEO CORNER

The rains have been great for the growing season, let's hope it is another great year for our farmers.

JULY MEETING

At the June Council Meeting, several items were presented to Council.

This included:

- Development Applications have been received for Telecommunications towers in the Shire for improved internet access to residents.

- Access to a local road reserve was granted for the Windfarm being considered for Hyden.

- The Shire is looking at upgrades to the Hyden Swimming Pool Building and also the Hyden Recreation Facilities.

- An Easement was created in the location of the old Karlgarin Townsite to look at access to this area for tourists and visitors.

- The Shire supported an area at McCann's Rocks in being vested to the Shire for the purpose of recreation and water.

- The Shire is proposing differential rates for the 2022/2023 financial year. Previously we had sought feedback on the differential rates. This information was now presented to Council.

- The Shire considered the removal of a caveat held on a property as the property is being amalgamated.

- The new entrance signs as part of the Hyden 100 Celebrations were approved by Council for signs on the eastern and western entrances.

- A report of Councillor training for the 2021/2022 financial year was presented for Council information.

- Consideration of the Name Change for the Shire was included as part of the deliberations. At this time, Council is concerned with the cost of a full name change due to other priorities. The Shire is also looking at a slogan for the Shire in place of a name change. The Shire is seeking feedback on the slogan and has already received some feedback and ideas.

- The Bendering Landfill site Management Plan was adopted by Council for who the facility will run and lifespan considerations.

INCREASE IN RUBBISH CHARGES

It has come to our attention that the Shire is not covering the cost of the provision of rubbish services to the Shire. This means that part of your rates is going towards the rubbish service rather than it being self-funding.

The shortfall a significant, but rather than having a single large increase to the rubbish charge, we will be looking at implementing the increase over multiple years. The main aim will be to ensure that the provision of rubbish collection is self-funding with the charge placed on properties for rubbish collection.

If you have any concerns with this, please send your concerns to the administration office or to ceo@kondinin.wa.gov.au

ACCESS TO CORONATION PARK - HYDEN

As most are aware, Coronation Park in Hyden is fairly hidden with the access points being the alleys between properties. As a result, the park gets reduced use.

The Shire sees this area as a significant stop for visitors and residents and is looking at an alternative access point to increase the usage of this area.

Please look at the notice in this edition of the Echo for further information.

CLOSURE OF ACCESS TO PTA LEASE - HYDEN

In conjunction with the Hyden Progress Association, the Shire is seeking feedback on the proposal to reduce the entrance points to the parking at the Railway Lease area in Hyden.

Details of the proposal is included in this copy of the Echo and your feedback is requested by 12th September.

ROADWORKS

The Swimming Pool Carpark in Hyden has been completed with the asphalt surface. The Kerbing will be installed around the edges and trees soon.

We are presently on Pederah Road/ Karlgarin-Lake Grace Road, unfortunately, due to the weather, we are finding this process rather slow. We can only wait until it's drier before continuing.

If you spot an issue with our roads, please contact the administration office in Hyden or Kondinin so the information can be relayed to the Manager of Works.

Until next time, travel safely.
