## REVIEW OF COUNCILLORS REPRESENTATION Discussion Paper

As part of the Local Government Reforms process, the Shire of Kondinin has been requested by the Minister for Local Government to reduce our Councillor numbers from 9 to 7. This can either be through a voluntary process or forced by the Department through legislation.

The Shire of Kondinin has decided to look at this on a voluntary basis and has drafted a discussion paper on the matter. It is a requirement under the Local Government Act that this be made available for a period of 6 weeks, but given the time of year, the Shire has allowed it to remain open for an extended period to close on:  
**4pm on 30th January 2023**

**The discussion paper is available on the Kondinin Shire website under public notices or at the Administration Offices**

Submission can be made to: [ceo@kondinin.wa.gov.au](mailto:ceo@kondinin.wa.gov.au) or

## SLOGAN FEEDBACK – WAVE ROCK OWNERSHIP

Thanks to all the residents that responded to our information on the slogan for the Shire, there were some very good suggestions that we have tried to take on board. This will be presented to Council this month.

An interesting note from the comments was concerns that any promotion of Wave Rock would only be a benefit to a private business as it was run by a private business. This is not correct. The Wave Rock Reserve is currently owned by the State Government for water resources but is managed by the Shire. We collect approximately \$60,000+ per year from this facility (current year) which goes back into providing the facilities such as toilets or bush tucker garden at Wave Rock and promoting facilities in other areas.

The Shire is currently marketing our other attractions to encourage people to stay longer in our district which will increase tourist dollars generating more income for our Shire and local businesses. This was recently included in the Australia Golden Outback posts.

So promoting Wave Rock and our other attractions brings benefit to the Shire and our communities, not just a single private operator.

## LOCAL GOVERNMENT REFORM

The Minister for Local Government has written to all Local Governments with a community of fewer than 5,000 residents and more than 7 Council Members to consider a reduction in Members through a voluntary process or legislative process.

The Shire has released a discussion paper for the reduction of Members to 7 in compliance with the forthcoming reform.

If you have any submission to make for the discussion paper, please send it to [ceo@kondinin.wa.gov.au](mailto:ceo@kondinin.wa.gov.au) or Chief Executive Officer, Shire of Kondinin, P O Box 7, KONDININ WA 6367.

## HEALTHY SPORTS GRANT

### SAMPLE BUDGETS

#### FUNDING OPTION 1 - HEALTHY CLUB (NO FOOD SERVICE)

Healthway has partnered with Fuel to Go and Play® to offer up to \$2,000 to Western Australian community sporting clubs and district sporting associations competing in a recognised competition to increase healthy eating throughout the WA sporting community.

Healthway understands that not every club has a 'home ground' but instead uses other facilities to train and for game day. Even if you don't have a food service or canteen facility there are lots of ways you can use the funds to promote the importance of healthy eating during sport.

#### HOW YOU CAN PROMOTE HEALTHY EATING AND DRINKING WHEN YOU DON'T HAVE A CANTEEN?

##### HEALTHY HALF TIME

- If your club has a large number of teams make up a kit for each coach or team manager consisting of a small cooler bag, storage container, chopping board and knife to encourage fruit and vegetables as snacks. Plus, when you receive your "congratulations kit" from Healthway it will contain handouts and items to include such as flyers, booklets and stickers

##### ACTIVATION

- Use the contents of your 'kit' to run a competition offering healthy snacks, prizes include water bottles, aprons and hats
- Early morning games, training or carnival weekends require extra fuelling so offer a healthy breakfast event by providing nutritious eggs, fruits and smoothies. Make sure you use the opportunity to promote the program by using Social media tiles, placing posters around and handing out fact sheets to members.

##### WATER WINS

- Provide cold water at training and game days by purchasing an esky and a large water cooler
- Purchase water bottles and water carriers for each player

##### TRAINING DAYS

- Set up a trestle table with a bowl of fruit and encourage healthy snacking. Your kit also includes mini blackboards for health messages
- Provide fruit smoothies to show how easy it is to make a great 'fuelling snack'. Purchase a blender, milk, fruit, cups and containers. Ensure all the items are kept in one place so it can be handed to new club managers and coaches

##### PLAYER INCENTIVES AND PROMOTIONS

- Rewarding players for "best on ground" can be the perfect opportunity to promote health. Rather than vouchers for food based stores use the grant funds to buy vouchers for sports stores in your local area.

#### HEALTHY SPORTS COORDINATOR

Healthway will provide up to \$500 by way of a voucher for a Healthy Sports Coordinator to communicate to the club about participation in the program, purchase items, run activations such as fruit stands, send out healthy eating information to members and be the advocate within the club for health initiatives.
