**4:30pm on Friday, 16th December 2022**

We apologise for any inconvenience caused.

# TOTAL FIRE BAN

A Total Fire Ban is declared by the Department of Fire and Emergency Services (DFES) on days when fires are most likely to threaten lives and property. This may be due to:

- Predicted extreme fire weather
- Limited firefighting resources available.

## HOW TO FIND OUT IF THERE IS A TOTAL FIRE BAN?

There are several ways you can find out if a Total Fire Ban has been declared:

- Visit the Emergency WA website [HERE](#).
- Listen to ABC Local Radio.
- Call the DFES Total Fire Ban hotline on 1800 709 355.

## ACTIVITIES NOT PERMITTED DURING A TOTAL FIRE BAN

- Some of the activities that are illegal to do during a Total Fire Ban, include:
- Lighting, maintaining or using a fire in the open air e.g. burning rubbish, fire pits
- Carrying out any activity in the open air that can cause or is likely to cause a fire e.g. welding, grinding, soldering, gas cutting and all forms of hot work
- Using a BBQ, smoker or cooker that uses solid fuel e.g. fire pits, Weber, pizza oven, smoker, kettle BBQ
- Using an internal combustion engine powered equipment in or near bush.
- Using vehicles including 4WD's, motor bikes, quad bikes or other motorised vehicles in the bush or paddocks, unless it is for the feeding or watering of stock.

A list of what you can and cannot do during a Total Fire Ban is available on the DFES website [HERE](#).

## EXEMPTIONS

Businesses are required to obtain a Total Fire Ban Exemption for any activity not prescribed within the Bush Fires Regulations 1954, which could cause or is likely to cause a fire. These activities include fireworks, programmed hot fire training, rail grinding, and religious and cultural ceremonies. Information for business and industry can be found [HERE](#).

To find out more, visit the Department of Fire and Emergency Services website [HERE](#).

# HARVEST VEHICLE MOVEMENT BAN

In accordance with the Bush Fire Regulations 1954 (r.24C and r.38A) the Shire of Kondinin Chief Bushfire Control Officer (CBFCO) has the ability to impose a ban on the use or operation of any engine, vehicle, plant, equipment or machinery in the area. This is for the purpose of restricting activities that are likely to cause a bushfire or contribute to the spread of a bushfire when the expected weather condition indicates that if a wildfire was to start it would be dangerous, destructive and difficult to stop once started.

**This ban is commonly referred to as a Harvest and Vehicle Movement Ban (HVMB).**

## There are two types of HVMBs:

- During a Total Fire Ban (r.24C) - when the Fire Behaviour Index (FBI) reaches or exceeds 40, banning off-road, harvesting and agricultural activities.
- During Restricted and Prohibited Burning Periods (r.38A) – at the discretion of the CBFCO, banning any activity (as determined by the Shire) in its entirety or additional conditions can be imposed not specific to vegetated land.

Further information about recent changes to the Australian Fire Danger Rating System (AFDRS) and FBI's can be found [HERE](#).

## ACTIVITIES THAT MAY BE BANNED DURING A HVMB

Subject to the type of HVMB declared by the Shire of Kondinin (24C or 38A), the following activities may be banned:

- Off-road activities
- Harvesting operations and agriculture activities
- Use or operation of any engine, vehicle, plant, equipment or machinery in the area likely to cause a bushfire or contribute to the spread of a bushfire (eg. motorbikes, quad bikes or other motorised vehicles in bush or off-road areas including paddocks).

## ACTIVITIES THAT ARE ALLOWED DURING A HVMB

- Movement of vehicles on "gazetted roads"– as described in Bush Fires regulation 24A(1) and Road Traffic Act 1974 section 5.1.
- Movement of vehicles on a lane, driveway, yard or other areas that provide access to, or a parking facility at, any residential, farming or business premises, if the site has been sufficiently cleared of inflammable material to prevent the escape of fire.
- Use or operation of a vehicle if it is for the prevention of an immediate and severe risk to the health or safety of a person or livestock, and only if all reasonable precautions have been taken to prevent the activity from creating a bushfire danger.

## HOW TO FIND OUT IF THERE IS A HVMB?

There are several ways you can find out if an HVMB has been declared:

- Read the alerts on this website
- Listen to ABC Local Radio
- Through the Shire's SMS notification system.

# CEO CORNER

The weather is warming, and days are getting longer. Please be aware of snakes as they are coming out as well.

## NOVEMBER MEETING

At the November Council Meeting, several items were presented to Council. This included:

- The tender for the upgrades to the Hyden Swimming Pool change rooms was accepted and works will be commencing soon.
- Proposed refurbishments for the Kondinin Pavilion were endorsed. This work will be considered in the 2022-2023 Budget.
- An update on the recent Heritage Survey was presented to Council including the Draft Survey.
- An update on works for the Community Water Supply Program and funding was presented. This is looking at additional water resources for dryer years.
- Consideration of extended trading for the Christmas/Harvest season was considered and an application prepared to the Department of Commerce.
- A reallocation of the Community Grants for the Kondinin Swimming Club was considered as the original lane ropes were no longer able to be purchased. This will now go towards sun smart items.

## ROADWORKS

Our Road Sealing programme is progressing with works on the Secondary Freight Route of the Kondinin-Narembeen Road.

Other Works will include: Karlgarin-Lake Grace Road is to be sealed.

Patch grading has now been undertaken and will continue through the harvest period, with gravel being carted to some of the major blowouts where possible.

If you are aware of any road issues, please contact the Shire administration office or email [ceo@kondinin.wa.gov.au](mailto:ceo@kondinin.wa.gov.au) so that staff can follow up.

## COMMUNITY SURVEYS AND FEEDBACK

Residents are reminded that the Shire currently has a discussion paper available for information and comment in regards to the recent request by the Minister for Local Government for band 3 and 4 Shires to consider reducing the number of Elected Members to 7 (we currently have 9). The Shire of Kondinin is looking at how we can be compliant with the request rather than allowing the decision to be made for us.

## NEW FACE AT SHIRE OFFICE

We welcome Elizabeth Woods to the Shire Administration team. Elizabeth is taking the position of Customer Services/Administration for the Shire and will be a friendly face to welcome visitors to the Shire Administration Office.

## ADMINISTRATION SHUTDOWN FOR CHRISTMAS

Residents are reminded that the Shire offices will be closed from close of business on the 23rd December to 2nd January 2023. If you have any licensing renewals at this time, they will need to be done online or at another facility.

From the Councillors and Shire staff, we wish all residents a joyful festive season and a prosperous New Year for 2023.

**Until next time, travel safely.**

# REVIEW OF COUNCILLORS REPRESENTATION

## Discussion Paper

As part of the Local Government Reforms process, the Shire of Kondinin has been requested by the Minister for Local Government to reduce our Councillor numbers from 9 to 7. This can either be through a voluntary process or forced by the Department through legislation.

The Shire of Kondinin has decided to look at this on a voluntary basis and has drafted a discussion paper on the matter. It is a requirement under the Local Government Act that this be made available for a period of 6 weeks, but given the time of year, the Shire has allowed it to remain open for an extended period to close on:

**4pm on 30th January 2023**

**The discussion paper is available on the Kondinin Shire website under public notices or at the Administration Offices**

Submission can be made to: [ceo@kondinin.wa.gov.au](mailto:ceo@kondinin.wa.gov.au) or  
CHIEF EXECUTIVE OFFICER

## WESTWIND - COMMUNITY LIAISON OFFICER

WestWind Energy are looking for a Community Liaison Specialist with a proven ability to build rapport and long-term relationships with local communities to join our team on a permanent basis.

This role will suit someone living near Kondinin in Western Australia, who is able to work from home, as it will focus on community engagement to support development of a project in the Kondinin region.

For more information click [HERE](#) or on the Shire website.
